Joining a Goosechase Experience as a team

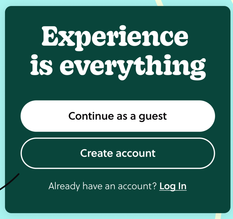
1. Download the Goosechase iOS or Android app.

Download on the App Store

GET IT ON Google Play

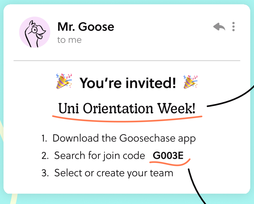
2. Log in to the app.

→ **New to Goosechase?**
Sign up for an account or play as a guest.



3. Search for your Experience!

By name

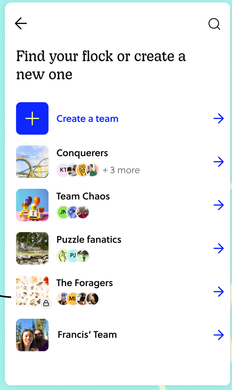


By join code

4. Join an existing team, or create your own!

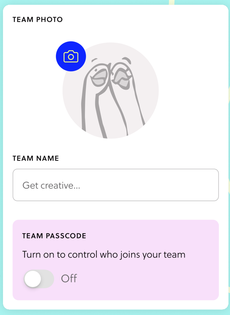
You need a passcode to join a team with a lock icon.

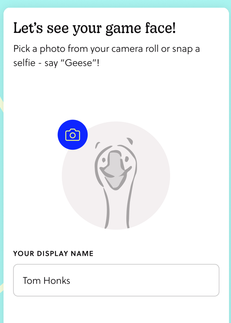
→ **No option to create a team?**
Please join a pre-created team instead.



5. If you are creating a team, pick your team name, and add a team photo.

You can remove the passcode at this time if you do not want one.





If you are joining an exisiting team, choose a display name and photo so your teammates know who you are!

→ If you have joined as a guest, you will skip this step and be taken directly into the Experience!

Good luck!

If you have questions about specific Missions, points or any logistical parts of the Experience, please contact the creators of the Experience.

For any technical issues, or questions about how to use the app, please contact Goosechase support through your settings menu in the app or email us at hi@goosechase.com!
